QUALITY POLICY

- ☉ *To improve the creativity and initiative of our staff and to ensure that they have a sense of responsibility.*
- ☉ *To develop the awareness that every employee can create the quality of their work by working in accordance with the standards, not by being controlled by someone else.*
- ☉ *To increase our presence in the market with our trained, harmonious staff and successful teamwork activities.*
- ☉ **To provide trainings** *to ensure that both directly company personnel and subcontractor employees are aware of their individual responsibilities.*
- ☉ *To review the Quality policy periodically to sustain compliance with the terms.*
- ☉ *Mutually sharing experiences with public, private sector organizations and non-governmental organizations.*
- ☉ *Our resources, primarily to ensure that the requirements of the customer, legislation and Quality Management System are fulfilled.*
- ☉ *To fulfill the requirements of the Quality Management System, to continuously improve it and to prevent non-conformities, to be reliable and to provide the highest level of customer satisfaction.*
